Coursework and Relevant Modules

- EE2026 (FPGA Digital Design in Verilog) - A+
- CS2040C (Data Structures and Algorithm in C++)
- CG2111A (Raspberry Pi, Arduino UNO, and Lidar SLAM in C++)
- CG1111A (Arduino UNO, Ultrasonic, Colour Sensor in C++)

Millennia Institute Singapore-Cambridge A-Levels (Science)

Jan 2016 - Jan 2018

- Top 10% of Student Cohort (2016, 2017 and 2018)
- Singapore HDB National Cool Ideas Competition (3rd Place) (Noise Monitoring System Prototype built using Arduino, Programmed with C++)
- West Zone Student's Science Symposium (Won the most innovative award under the national pre-university category)

WORK EXPERIENCE

Autove Pte Ltd - Project (Software Engineering), Intern

May 22 - Present

- Building of company's proof of concept web app from scratch using Google's Flutter, Node.js, Telegram Bot, and Firebase.
- Involved in communicating the company's business idea and goals with industry partners in Singapore startup launchpad @ One-North during JTC's Tech Fiesta 2022.
- Established comprehensive end-user documentation in robot integration, set-up, authentication, and deployment of our in-house developed software solution.
- Prepared translated API Documents (Mandarin to English) and communicated with our overseas partner in robot integration and backend support.

PROJECTS

Google's Student Developer's Hack4Good Hackathon 2023

Feb 23 - Feb 23

- Led a team in development of an online platform for companies and PWDs to conduct web accessibility testing and assessment
- Created the Figma UI prototype from scratch, developed the platform's frontend with Next.JS framework, and lastly, built the API backend server of the platform with Node.JS, Express, Google Cloud Function, and Firestore technologies

DSTA CodeEXP Hackathon 2022

May 22 - Jun 22

- Built an all-in-one lifestyle service mobile application for Singapore's National Servicemen using Google Flutter and Firestore

PROFESSIONAL CERTIFICATION

- Certified Google Cloud Associate Cloud Engineer
- Dec 2020 - Present
- <https://www.credential.net/4f26c23e-8ba0-4033-9452-7a79e7dbbb96>

ADDITIONAL INFORMATION

- Languages: Proficient in English and Mandarin, Elementary in Malay, C++, Python, C, React.JS, Next.JS, HTML, CSS, Dart (Flutter), Verilog, Java, Typescript
- IT Skills: Adobe Photoshop & Premiere Pro, Microsoft Office, OOP (C++), gCloud Computing Platform, Google Firebase
- Interests: Drone Photography & Filmography, Non-fiction books (Self-Help & Biographies), Muay Thai, Frisbee, Trekking
